

# HR Dress Code Policy

This enterprise policy document is intended for internal organizational knowledge management and AI-powered retrieval systems.

## Purpose

This policy defines the expected professional dress standards for all employees across office locations and client-facing environments.

## General Guidelines

Employees should maintain neat, clean, and professional attire during working hours. Clothing with offensive language, graphics, or inappropriate messaging is prohibited.

## Business Casual

Employees may wear collared shirts, formal trousers, kurtas, sarees, salwar suits, or clean business-casual footwear.

## Friday Policy

Smart casual attire is allowed on Fridays unless attending client meetings.

## Restricted Clothing

Shorts, sleeveless gym wear, ripped jeans, slippers, and clothing with political or offensive content are not permitted.

## Remote Work

Employees attending virtual meetings must maintain professional appearance standards during video calls.

## Escalation

Managers and HR representatives may address repeated violations through formal communication.
